## Back to School Bonfire Night

We hope you've made plans to join us tomorrow evening, **September 10<sup>th</sup>** at **5pm** to fellowship together with **worship** (led by **Pastor Jochy Jamel**), **songs** and **s'mores**. We'll **meet behind the school** building and gather around the fire. This is a joint event with the families who attended Westvale's VBS program over the summer and our Parkview families. **Bring a lawn chair or blanket if you have one.**

## COVID Screening

Parkview is partnering with the Onondaga County Health Department again this year to perform weekly COVID screening on a sample of our students and staff. We found this to be a valuable resource last year in identifying COVID illnesses and reducing its spread, thereby keeping our student body healthy to continue in-person learning.

We will begin testing next week with the students whose families opted in last year. For our new students, consent forms are going home today. **Please complete the form if you are willing to have your student included in the random sampling.** The screening test is a noninvasive, buccal (cheek) swab. If you have any questions please contact the office.

## Jupiter

## Volunteer Needed

Mrs. Kaiser needs an adult who comes to the school in the morning and is able to help one of her students make phone calls for sprout orders at least once a week between 8:15 and 8:45am. Contact Mrs. Kaiser if you can help.

## School Breakfast

Students need to arrive by **7:50am** to eat the school breakfast. **Class is in session promptly at 8:00am** and students are
