PE/Recess Restrictions

If your child has any activity restrictions for participating in gym activities whether it be during PE or recess times, please send in a note **signed** either by the **parent** or **physician**. Otherwise, we will not be able to modify their play during these times.

COVID Screening

Parkview is partnering with the Onondaga County Health Department again this year to perform weekly COVID screening on a sample of our students and staff. We found this to be a valuable resource last year in identifying COVID illnesses and reducing its spread, thereby keeping our student body healthy to continue in-person learning.

Our first week of testing was completed this week with all negative results. Consent forms went home last week with our new students to opt in to the screenings. **Parents, please complete the form if you are willing to have your student included in the random sampling.** The screening test is a noninvasive, buccal (cheek) swab. If you have any questions please contact the office.

Can Your Kids Defend Their Faith?

Bring Your Bible To School day is coming up on **October 6**. Our students have the privilege of using their Bibles every day so we choose to celebrate religious liberty and encourage students in ways

they can defend their faith on this day. If you'd like to reinforce these ideas at home, this series of free videos from Focus on the Family **may** be a valuable resource to you. Just click [HERE!](#)

Fall Festival

Mark your calendars for the return of our **Fall Festival** on **Saturday, October 29**. We will have fun games, good food, and festive activities for all!

Free Kittens

Kelly Bonin's family had a litter of kittens arrive and have six to give away. There are two all gray and four all black. If you'd like to welcome a furry friend into your home contact Kelly at 315-897-0647.

Tuition/Fees Billing & Payments

We are in the process of switching over our billing and payment system to the Jupiter module to keep all our communication in one place. We hope this update will be live for **October** statements. **Please be aware of the upcoming change and stay tuned for more info.**

MAP Testing

The week of **September 26-30** will be testing week at Parkview. The **MAP Growth** assessment is a trusted tool for measuring growth and achievement in the areas of **K-12 math and reading** among others. Through the MAP reports teachers can gauge whether a student is at, below, or above grade-level. This allows the teacher to tailor instruction and set

realistic goals for each student. The results of your student's first round of testing will be presented at parent/teacher conferences in November.

School Breakfast

Students need to arrive by **7:50am** to eat the school breakfast. **Class is in session promptly at 8:00am** and students are expected to be done eating by that time.

Busing can be unreliable and if a bus arrives late we can't guarantee that a student will have the opportunity for breakfast.

Eighth Grade Snacks For Sale

To raise money for their class trip and graduation expenses, the 8th grade class is selling snacks **Monday thru Thursday** and popsicles on **Fridays** throughout the school year. Please send in cash if your student would like to purchase a snack and support their fundraiser.
