Several students have been unprepared for PE and recess due to improper footwear. Please remember that **your child MUST have sneakers to participate in gym activities. If a student does not have sneakers he/she will not be allowed to participate in PE thus affecting their grade.** Thank you for your cooperation in keeping our students safe while they grow and play.

After-School Care

If your child stays for after-school care on half days such as Friday or when there is a noon dismissal, please be sure to pack them a lunch. We provide a snack, but this is not enough to fill them up until pick-up.

PJA Christmas Program

Our students will lead the worship service at Westvale Seventh-day Adventist church on **Saturday, December 10 at 11am**. Please mark your calendars and plan now to attend with your child(ren). It is always a blessing to see our students sharing God's love with our church community.

Pre-K & K Muffin Ministry

Students in the Pre-K & K classroom make muffins each month. These muffins are gifted to homeless individuals or anyone else that needs encouragement. What a wonderful way to share God's love!

Parkview Citrus Fruit Fundraiser

Navels, clementines, and grapefruit...oh my! Fresh, Florida citrus fruit will soon be on its way to our school. This annual fundraiser is a healthy way to support Parkview.

Citrus fruit makes great gifts around the holiday time so we ask that you extend this opportunity to local friends and family.

Orders are due **Friday, November 18th** and delivery is anticipated the week of **December 5th**.

For your participation, you will receive a **\$5 credit per BOX** of fruit sold (4/5 or 2/5 bushel) thanks to a generous donor.

Sprouts & Worm "Tea"

Our 1st-3rd students are learning valuable job skills through the sale of alfalfa sprouts and worm "tea". The dollars raised **sponsor two children** through World Vision in the country of **Cambodia**.

Alfalfa sprouts are grown weekly and are available for pick up on **Fridays**. A **4oz** container is **\$4**.

Worm "tea" (not for human consumption) is produced from our worm farm and when diluted makes an excellent fertilizer for your plants and garden. A **16oz** jar is **\$3**.

If you'd like to support these efforts please text Mrs. Kaiser at 315.729.7250.
