Sprouts & Worm "Tea"

Our 1st-3rd students are learning valuable job skills through the sale of alfalfa sprouts and worm "tea". The dollars raised **sponsor two children** through World Vision in the country of **Cambodia**.

Alfalfa sprouts are grown weekly and are available for pick up on Fridays. A 4oz container is \$4.

Worm "tea" (not for human consumption) is produced from our worm farm and when diluted makes an excellent fertilizer for your plants and garden. A **16oz** jar is **\$3**.

If you'd like to support these efforts please text Mrs. Kaiser at 315.729.7250.

Practice an Attitude of Gratitude

November is a great month to reflect on what makes us thankful. Maybe your family has a special tradition you share in each year. If you're looking for some inspiration on how to focus on those blessings and encourage gratitude in your home, consider making a gratitude pumpkin!

Supplies: pumpkin (real or fake) and a sharpie

How to:

1. Keep your pumpkin on your kitchen or dining room table with a

- sharpie so it's easy to remember to write on it.
- 2. Every evening when you eat dinner, discuss with your family what you're grateful for.
- 3. Start at the top of the pumpkin and write, "We are grateful for..."
- 4. Every evening, add a few things you're grateful for, writing in a spiral around the pumpkin.
- 5. Start with the super important things you're grateful for like family members, then add the fun and silly things you're grateful for like ice cream and family movie nights.
- 6. Display your pumpkin on your Thanksgiving table!

Sicknesses

We kindly ask you to keep your child home if he/she is experiencing fever, chills, cough, difficulty breathing, body aches, sore throat, and/or loss of taste or smell. Children should remain home until they have received a negative COVID test result and have been fever-free for 24 hours. If coughing and/or sneezing persist, we ask that they wear a mask while at school.
