"All your children shall be taught by the Lord and great shall be the peace of your children." Isaiah 54:13

PJA Christmas Program

Our students will lead the worship service at Westvale Seventh-day Adventist church on **Saturday, December 10**. We will be doing a play about the birth of Christ which will include musical selections by students. **Please check in with your student to see if he/she has lines to**

rehearse. Ask how they are doing and spend some time practicing with them.

Students should arrive to the church no later than 10:30am. If your child is not available to be present, **PLEASE LET HIS/HER TEACHER KNOW IMMEDIATELY.** It is always a blessing to see our students sharing God's love with our church community.

There will be a potluck following the service. We invite you to stay and fellowship and *bring a vegetarian dish to share.*

We Welcome a New Friend

Our Parkview family grew this week with the addition of a new Kindergarten student, Iwaoluwatola. Iwa's family wanted a Christian environment for her to learn and grow in and we are delighted to have her as a new friend at our school. Please welcome Iwa and her family if you see them around.

Food Festival Thank You

An amazing time was had at our International Food Festival. We thank all of our volunteers who helped at the ticket booth, kitchen and especially those who represented their native countries by cooking us delicious food. Thank you also to those who attended. We doubled our profits this year. These funds will support upcoming Home & School projects. Our next goal is to replace our school roadside sign.

We Celebrate Native Culture

Prior to the Thanksgiving holiday we had a special guest visitor at Parkview. Mary Winder from the Oneida Nation came to talk about Native American culture and history. She shared stories and artifacts with each of our classes and taught the Pre-K & K students a song and dance. We were very blessed to have her join our Thanksgiving celebration.

SimpliSafe System Installed

Our upgraded SimpliSafe system arrived and was professionally installed this last week. This equipment was purchased with the funds raised from our fall festival baked goods auction. The new system includes additional security cameras, key fobs for all staff members with a panic button feature, and a video doorbell. We are assured knowing that we have increased our safety precautions for students, staff and our building.
