PJA Expansion Project

It was announced at Parkview Sabbath on December 10th that the Westvale SDA church board has approved an expansion project for Parkview. This project will add two classrooms and a meeting space to our existing building. Our enrollment at Parkview has grown year after and we are bursting at the seams. In order to accommodate our existing enrollment and continue to serve our community, we must expand! We are grateful to see God at work even during the early phases of this project by gifting us with individuals who have the right credentials to accomplish this project. Stay tuned for more about this amazing endeavor and please keep the building committee in your prayers.
