## 2023-2024 Enrollment

As we look forward to next school year we continue to be pressed with the mixed blessing of a growing student body. The need for a building expansion becomes more and more urgent. We currently project an enrollment of **70 students**—a significant increase from this school year! Our school leadership staff is working creatively to problem solve how we can accommodate these students. We continue to trust God's timing on the school expansion project. Please pray for the process and also know that seats in our classrooms are at a premium! Secure your child's spot NOW by completing the Intent to Return form. If you know of someone who would like to attend Parkview in the fall, particularly any families of Pre-K students, we need to know ASAP.

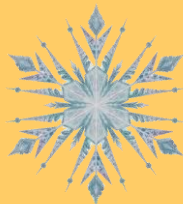

## Box Donations Needed
