Parent/School Communication

We want to thank you for working with us this year as we transitioned the way in which we receive communication from you as parents and guardians. It's important to us that your questions and concerns are received in an efficient and effective way. **To that end, we encourage you to continue to abide by the policy we set forth at the beginning of the year. Please send all communication through the office by messaging via Jupiter, calling the office phone or reaching Mrs. Hayes on her cell at 315.935.9631 rather than texting teachers individually.**

The latter often disrupts the teachers' schedules and creates the potential for messages to be easily missed.

Talent Show

Thank you to all who came to support the Talent Show this past Saturday night. It was fun being entertained by the display of talents God has blessed our school and church community with.

As a result of the event, the **7th & 8th graders raised \$243.45 for the expansion project** and **\$81 for the homeless shelter**. We are grateful for the leadership of our students.

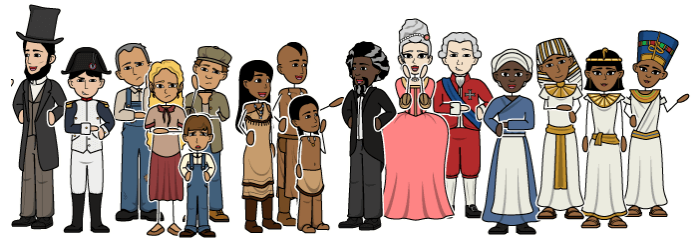

We Welcome A New Student

Our Parkview family grew this past week with the addition of a new student. Kafar is in 5th grade. Mrs. Kaiser's students welcomed him with a gift certificate for a free slice of pizza from the 8th graders. Please give him a friendly greeting if you see him around.

Historical Character Day

On **Wednesday, February 8th**, students are invited to **dress as an important historical or sports figure**. These must be **non-fictional** characters. Students should check with teachers if they are unsure about the appropriateness of their choice. **Those NOT dressing character must be in uniform.**

MAP Testing

February 6-10 will be testing week at Parkview for grades K-8. We utilize the **MAP Growth** assessment, a trusted tool for measuring growth and achievement.

Students will complete **Math, Reading and Science** tests. MAP reports allow teachers to gauge whether a student is at, below, or above grade-level in order to tailor instruction and set realistic goals for each student. Please be sure, as always, that your child is getting adequate rest and nutrition during this week to help them perform at their best.

Box Donations Needed

Mrs. Kaiser's class is collecting small to medium sized boxes (ex., cereal or mac & cheese) to use for dog **enrichment toys** which will be **donated** to the **CNY SPCA**. Please send any empty boxes you have in with your student(s).

Sprouts & Worm "Tea"

Sicknesses

We kindly ask you to keep your child home if he/she is experiencing fever, chills, cough, difficulty breathing, body aches, sore throat, and/or loss of taste or smell. Children should remain home until they have received a **negative COVID test result and have been fever-free for 24 hours**. If coughing and/or sneezing persist, we ask that they wear a mask while at school.

Absent or Sick Child/Early Pick-Up

Volunteers Needed

Ms. Park is always in need of helpers to **cut** and **paste** workbook activities for her students. This job can be done at school or from home.

If you have spiritual gifts in other areas that could bless our school, please let us know. We will find a job for you! **Parkview relies on the volunteerism of our school and church community**. Thank you!
