Parkview Worship Service

Our students will lead the worship service at the **Westvale SDA Church** (2511 West Genesee St. Syracuse) **THIS Saturday, April 22**. Each student has a part to play and we ask that you plan to attend. and make sure they have time to get a drink and use the restroom before the service begins.

Parkview Color Run & Work Bee

Praise God that this week we surpassed our \$6,000 fundraising goal! We are excited to see how God will bless with the remaining donations yet to be received. Every dollar is a blessing to our expansion fund.

Parkview students are automatically registered for the run. If you would like to participate along with your child(ren), you can register using this [link](#). **Immediate** family members can use the code “**Family23**” for \$20 off their registration. Invite your friends and family to join us on race day, too!

All participants must be registered through RunSignUp.com!

Following the Color Run, we invite our Parkview families to give back and show some love to our school during our **spring work bee**. Home & School will provide a **haystack lunch** after the run. Then, we will work together to beautify our school grounds and building. **Please plan to attend!**

Volunteer Shout Outs

We want to give a BIG thank you to **Frank O'Donnell** for removing the old blinds on

several windows in the school and replacing them with opaque shades which will provide better covering over the windows in the event of an emergency situation. **We appreciate you, Frank!**

We also thank **Sharon King**, our school board chair, for giving MANY extra hours to help out at Parkview recently. She helped prepare lunches, washed dishes, and cleaned the building for the accreditation visit. **You are a rockstar, Sharon!**

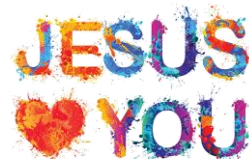

Accreditation Visit Results

Following the visit of the accreditation team, Parkview's staff and school board met to receive their feedback. We are proud to share that the team is making the **top**

recommendation to renew our accreditation for six years with a revisit in 3 years. This recommendation has to go through the Atlantic Union Board of Education in May and then ultimately to the NAD Board of Education in July.

Our visitors were impressed that “something special” is happening at Parkview. Above excellent academics and the provision for a variety of learning activities, they were impressed to see social skills and character development being emphasized. A sample of students were interviewed by the visiting committee who reported a consistent love for Parkview and stated that attending school here has strengthened their relationship with Jesus.

We sincerely thank those of you who submitted your feedback through the parent survey. Our goal is to make the program at Parkview the best it can be and we value your thoughts.

We also thank the parents and students who volunteered to get everything well-prepared. We are blessed because of you!
